Professional Services Guideline

Superintendent's Guideline No. 04/10

Professional Services Guideline

Introduction

This Guideline is issued pursuant to subsection 268.3 (1) of the Insurance Act for the purposes of subsections 14 (4), 15 (6), 17 (2) and 24 (2) of the Statutory Accident Benefits Schedule – Accidents on or After November 1, 1996 (SABS), and applies to expenses related to services rendered on or after July 1, 2010.

The maximum hourly rates and maximums payable for the completion of certain forms set out in this Professional Services Guideline apply to services rendered on or after July 1, 2010, even if they are approved prior to July 1, 2010.

Purpose

This Guideline establishes the maximum expenses payable by automobile insurers under the SABS related to the services of any of the health care professions or health care providers listed in the Guideline. These maximums are applicable to:

- a medical benefit under clauses 14 (2) (a), (b), or (h) of the SABS;
- a rehabilitation benefit under clauses 15 (5) (a) to (g) or (l) of the SABS;
- case management services under subsection 17 (1) of the SABS; or
- conducting an examination, assessment or provision of a certificate, report or treatment plan under subsection 24 (1) of the SABS.

Insurers are not prohibited from paying above any maximum amount or hourly rate established in the Guideline.

Services provided by health care professionals/providers, unregulated providers and other occupations not listed in the Guideline are not covered by the Guideline. The amounts payable by an insurer related to services not covered by the Guideline are to be determined by the parties involved.

Maximum Fees

Automobile insurers are not liable to pay for expenses related to professional services rendered to an insured person that exceed the maximum hourly rates set out in the Appendix.

Health Claims for Auto Insurance

With the implementation of the Health Claims for Auto Insurance (HCAI) system for transmitting certain accident benefit claim forms between health care providers and insurers through a central processing agency (CPA), the maximum payable to the CPA for fully completed electronic versions of the Treatment Plan (OCF-18) and Application for Approval of

an Assessment or Examination (OCF-22) is \$70.00. The maximum payable for fully completed paper versions of OCF-18 and OCF-22 is \$63.72, as set out in the Appendix.

Expenses for Completion of Forms

Automobile insurers are not liable to pay for expenses related to the completion of certain accident benefit forms by the health professionals and providers listed in this Guideline that exceed the maximums set out in the Appendix. These maximums do not apply to the assessments related to the completion of these forms.

The expense for completion of an OCF-22 is payable only following the approval by the insurer of any assessment or examination proposed in the OCF-22, or a final determination by a Court or arbitrator that any assessment or examination proposed in the OCF-22 is reasonably required.

Collateral Benefits

In respect of any expense referenced in this Guideline, or in previous Superintendent's Professional Services Guidelines, the amount that an insurer would otherwise be liable to pay is subject to a reduction by that portion of the expense for which payment is reasonably available under any insurance plan or law, or under any other plan or law.

Administration Fees

"Expenses related to professional services" as referred to in the SABS and the Professional Services Guideline include all administration costs, overhead and related fees. Insurers are not liable for any administration or any other charges or surcharges that have the result of increasing the effective hourly rate beyond what is permitted under the Professional Services Guideline.

Harmonized Sales Tax (HST)

The applicability of the HST on the services of any health care professionals, health care providers, or form fees listed in this Guideline falls under the jurisdiction of the Canada Revenue Agency (CRA). If the HST is considered by the CRA to be applicable to any of the services or fees listed in this Guideline, then the HST is payable by an insurer in addition to the fees payable as set out in this Guideline.
