 - Electronic form, such as a posting to a website
 - b. A "contentious issue" is a matter that is, or may reasonably be expected to be, of concern to the Legislative Assembly or the public, or is likely to result in inquiries being directed to the Minister or government. Contentious issues may be raised by:
 - Members of the Legislative Assembly
 - The public
 - Media
 - Stakeholders
 - Service delivery partners
- 2 The Agencies will comply with the TB/MBC Visual Identity Directive and identify themselves in all media responses and news releases as an agency of the Government of Ontario

- 4 For the purpose of this protocol, public communications are divided into three categories.

 - The Agencies should communicate their media responses or news releases to the Ministry lead, who will circulate as appropriate to other individuals within the Ministry.
 - This category does not include contentious issues, media responses or news releases that directly or indirectly announce grants or other funding to organizations.
 - b. Media responses, news releases or communications plans where provincial or ministerial messaging on government priorities would enhance the Agencies' or the government's profile, or would provide opportunities for local MPP announcements.

 - The Agencies' lead will provide each week an Opportunities Calendar of events to the Ministry listing all events that might generate media interest.
 - For non-contentious items, which provide government messaging opportunities or which involve funding announcements, the Agencies must also request approval of news releases or communications plans seven days prior to the date required.

APPENDIX F
Public Service Commission (PSC) Delegations of Authority

Under *the Public Service of Ontario Act, 2006* (PSOA), the Public Service Commission (PSC) has the authority to delegate HR powers to Commission Public Bodies (CPBs):

Section 44(4)

Subject to subsection (5), the Public Service Commission may delegate any of its powers, duties or functions under subsection 32(2) and sections 34 to 42 in respect of public servants appointed to work in a Commission Public Body to a deputy minister or to;

- (a) An individual who is prescribed under clause 55 (1.1) for the body; or
- (b) the chair of the body, if no individual is prescribed under clause 55(1.1) for the body.

Section 44(5)

The power to dismiss a public servant (for cause or without cause) and the power to make a declaration under subsection 42(1) (abandonment of a position) may only be delegated under subsection (4) by the Public Service Commission to a deputy minister.

Section 44(6)

A deputy minister may sub-delegate any of the powers, duties or functions delegated to him or her under subsection (4) to one or more public servants employed under his Part who work in his or her ministry.

Therefore, the dismissal of a public servant for cause or without cause, including the abandonment of a position within the Agencies can only be delegated to the Deputy Minister of Finance and or his/her sub-delegates within the Ministry of Finance and not to a public servant who works at the CPB (i.e., the Commission or the Tribunal).
