

Accident Benefits Application Package

Use this package to apply for benefits if you were injured in an automobile accident on or after November 1, 1996.

About this Application for Accident Benefits

Please note that all automobile accidents involving bodily injury must be reported to the police. Claims for certain accident benefits must be made within 7 days. Please contact your adjuster for further information.

There are five forms in this package:

■ Application for Accident Benefits (OCF-1)

Fill out this form when you are applying for benefits **for the first time** as a result of an accident, including if you are injured and are applying for income replacement benefits. You may be eligible for weekly benefits even if you were unemployed or retired at the time of the accident.

This Application for Accident Benefits form must be returned within 30 days after receiving the package. If you are unable to return it within 30 days, submit it to your insurance company anyway and explain why you were not able to complete it within 30 days. Return the original form to the insurance company and make a copy for your records.

■ Employer's Confirmation of Income (OCF-2)

If the insurance company asks you to, please give this form to your employer. This form is completed by you or your representative and by your employer. If you had more than one employer during the past 52 weeks, it may be necessary for each employer to complete a separate form. Your insurance company may ask for other proof of income.

■ Disability Certificate (OCF-3)

If the insurance company asks you to, please fill out the first section and give this form to your health practitioner (chiropractor, dentist, occupational therapist, nurse practitioner, optometrist, physician, physiotherapist, occupational therapist, speech language pathologist or psychologist). This form is completed by you or your representative and by your health practitioner.

■ Permission to Disclose Health Information (OCF-5)

If the insurance company asks you to, please complete this form. The insurance company requires your medical information in order to correctly determine your eligibility for benefits. Health professionals require your written permission to disclose this information to the insurance company.

■ Treatment Plan (OCF-18)

If you require health care treatment or rehabilitation, this form must be completed before treatment begins. There are exceptions. Please contact your insurance company to find out if this form is required.

After the insurance company reviews your complete application package, you will be contacted about the benefits you are entitled to receive. If your insurance company needs any additional information in order to process your application, they will contact you.
