## **Health Claims for Auto Insurance Guideline**

Superintendent's Guideline No. 07/07

## Health Claims for Auto Insurance Guideline

### Introduction

This Guideline replaces the Health Claims for Auto Insurance Rollout Guideline No. 01/07 issued in April 2007, and is issued pursuant to s. 268.3 (1) of the *Insurance Act* for the purposes of ss. 44.1 (1) and 68 (3.2) of the *Statutory Accident Benefits Schedule - Accidents on or After November 1, 1996* (SABS) as amended by Regulation 533/06.

The SABS amendments change the way that some SABS claim documents are to be sent to insurers in some circumstances. A document to which this Guideline applies and that previously would have been sent directly to an insurer to whom this Guideline applies is instead to be sent to a Central Processing Agency (CPA) established by the insurance industry to receive such documents on behalf of insurers. This Guideline describes:

- which insurers, health care facilities (“facilities”) and health care providers (“providers”) are subject to the Guideline and in what circumstances,
- what documents are to be delivered to the CPA and in what circumstances,
- how such documents may be delivered to the CPA, and
- how insurers are to provide information to the CPA.

This Guideline applies to documents specified in this Guideline that are delivered on or after April 2, 2007, regardless of the date of the accident to which they relate.

### Insurers and Providers That Are Subject To This Guideline

- **On or after April 2, 2007 but before February 1, 2008:**

The Financial Services Commission of Ontario maintains and updates from time to time a list of identified insurers and facilities/providers (or specified branch offices thereof) participating in the Health Claims for Auto Insurance (HCAI) (the “HCAI Participant List”) and the dates on which their participation begins. Please see Appendix 1 for details of how to obtain copies of the HCAI Participant List in effect at any particular time.

For the purposes of this Guideline:

- each specified branch office of an identified insurer is a Participating Insurer, and

- each specified branch office of an identified facility, and each provider operating in a specified branch office of an identified facility, is a Participating Provider.

This Guideline applies only to transactions between a Participating Provider and a Participating Insurer in respect of any claim for SABS benefits under a motor vehicle liability policy issued in Ontario.

- **On and after February 1, 2008:**

This Guideline applies to all insurers licensed in Ontario in respect of all claims for SABS benefits under any motor vehicle liability policy issued in Ontario. This Guideline also applies to all health care facilities and health care providers that practice in Ontario and mail or otherwise deliver, on or after February 1, 2008, any document to which this Guideline applies. For the purposes of this Guideline, each such insurer is a Participating Insurer, and each such facility and provider is a Participating Provider.

This Guideline does not apply to:

- any reinsurer in respect of claims under a contract of reinsurance,
- any insurer in respect of which a winding-up order has been made under the *Winding-up and Restructuring Act* (Canada), or
- the Motor Vehicle Accident Claims Fund.

### **Designation of Central Processing Agency – SABS s. 68 (3.2)**

**Health Claims for Auto Insurance Processing** is the CPA for the purposes of this Guideline and s. 68 (3.2) of the SABS. Health Claims for Auto Insurance Processing is a not-for-profit Ontario corporation established and funded by the insurance industry and operated by a board of directors that includes representatives of the insurance industry and health care communities.

The primary role of the CPA is to act as the agent of insurers to receive specified documents on their behalf, to confirm that the documents are duly completed and contain all of the information required to be included in them, and then to make the documents available for access by the insurers to whom they are addressed. The CPA also acts as an intermediary for the purpose of enabling insurers to communicate information such as claims approval and payment decisions electronically to those health care goods and services providers who wish to receive such communications electronically through the CPA.

The CPA is also expected to be a primary source of the information that automobile insurers will be required under s. 101.1 of the *Insurance Act* to provide to the Superintendent of Financial Services concerning claims for goods

and services for which automobile insurers are liable under contracts of automobile insurance.

### **Invoices For Goods And Services That Are Subject To This Guideline – SABS s. 44.1**

Any invoice for goods or services specified in Appendix 2 of this Guideline for the purposes of s. 44.1 of the SABS must be in the form (the Auto Insurance Standard Invoice) approved by the Superintendent of Financial Services in accordance with s. 69 of the SABS.

This requirement applies only if:

- all of the goods or services referred to in the invoice are provided in Ontario by the Participating Provider,
- the invoice is not submitted by the claimant,
- the invoice is submitted by a Participating Provider and is payable to the Participating Provider, and
- payment of the invoice is claimed against a Participating Insurer with respect to a transaction with a Participating Provider.

Where this requirement applies, s. 44.1 (1) of the SABS prohibits a Participating Insurer from paying any invoice that is not in the approved form, does not include all of the information required by the approved form, or is not sent to the CPA as required by this Guideline.

Participating Providers are to invoice Participating Insurers for goods or services specified in Appendix 2 separately from goods or services not specified in Appendix 2. Similarly, Participating Providers are to invoice Participating Insurers for goods or services provided in Ontario separately from goods and services not provided in Ontario.

### **Documents That Must Be Delivered To The CPA**

The following documents are specified for the purpose of s. 68 (3.2) of the SABS. Each such document must be delivered to the CPA (not directly to the insurer to whom it is addressed) in accordance with this Guideline if delivered by a Participating Provider to a Participating Insurer:

- |        |  |
|--------|--|
| OCF-18 | Treatment Plan - SABS s. 38  |
| OCF-21 | Auto Insurance Standard Invoice - SABS s. 44.1 – but only if this Guideline requires the use of this form for the particular goods or services being billed* |

- OCF-22            Application for Approval of an Assessment or Examination  
- SABS s. 38.2
- OCF-23/198      Pre-approved Framework Treatment Confirmation Form -  
SABS s. 37.1

Please note that (with one exception – see \* below) a document that this Guideline does not require to be delivered to the CPA must be delivered directly to the insurer using one of the delivery methods provided for in s. 68 (2) of the SABS.

\* An OCF-21 submitted to invoice an insurer only for the completion of a Disability Certificate (OCF-3) may be delivered either to the CPA in accordance with this Guideline, or directly to the insurer, at the option of the Participating Provider.

Section 68 (3.2) of the SABS provides that a document to which this Guideline applies is deemed not to have been delivered to an insurer unless it is delivered to the CPA as required by this Guideline. If such a document is delivered directly to an insurer instead of to the CPA despite the requirements of this Guideline, the insurer is under no obligation to respond to it as the document will be deemed not to have been received by the insurer.

### **How To Deliver Documents To The Central Processing Agency**

A document that is required by this Guideline to be delivered to the CPA shall be delivered in either of the following ways:

- (1)    Electronic Submission, or
- (2)    Paper Submission

#### **(1) Electronic Submission**

The document may be delivered to the CPA in electronic form in a manner that results in it being capable of being retrieved and accessed by the CPA.

Participating Providers are authorized to deliver documents to the CPA electronically as described above, and to access information electronically from the CPA, once they have completed the appropriate enrolment process (see “**Enrolment Of Users And Providers**” below).

A Participating Provider may elect to enroll for either electronic submission or paper submission, but not both at the same time.

As noted below under “**Rules Governing Date of Receipt of Documents By Insurers**”, any document delivered to the CPA by a Participating Provider that has not completed this enrolment process will be deemed not to have been received by the insurer, and will not be processed.

## **(2) Paper Submission**

The CPA has established a data entry centre that is equipped to receive paper documents delivered by a Participating Provider in accordance with this Guideline on and after January 7, 2008.

On and after January 7, 2008, documents may be delivered to the CPA in paper form, by mail, fax or personal delivery in accordance with ss. 68 (2) (a), (b), (c) or (d) of the SABS, if addressed to the CPA's data entry centre as follows:

**HCAI Processing – Data Entry Centre**  
**P.O. Box 254**  
**Orangeville, ON L9W 3Z5**  
**Fax number: (866) 346-6744**

Participating Providers are authorized to deliver documents in paper form as described above once they have completed the appropriate enrolment process (see “**Enrolment Of Users And Providers**” below).

A Participating Provider may elect to enroll for either electronic submission or paper submission, but not both at the same time.

As noted below under “**Rules Governing Date of Receipt of Documents By Insurers**”, any document delivered to the CPA's data entry centre by a Participating Provider that has not completed this enrolment process, and any document delivered by any Participating Provider before January 7, 2008, will be deemed not to have been received by the insurer, and will not be processed.

### **Attachments to Documents That Are Subject To This Guideline**

For the purposes of this Guideline, “attachments” means any material (e.g., additional pages, reports, test results) submitted in support of a document to which this Guideline applies.

If a Participating Provider determines that it is necessary to send one or more attachments rather than including in the document itself all information that the sender determines to be desirable or necessary to accomplish its purpose, the following special rules apply:

1. The Participating Provider must specify, in the field provided in the document for that purpose, how many attachments are being delivered.
2. The document itself (but not the attachments) must still be delivered to the CPA (if in electronic format) or the CPA's data entry centre (if in paper form) as described above.
3. The attachments are not to be delivered to the CPA (or the CPA's data entry centre), but instead must be delivered directly to the insurer by one of the delivery methods described in s. 68 (2) of the SABS. Although it is

preferable that all attachments be delivered to the insurer at the same time, it is not mandatory to do so.

**Please note that any attachment delivered to the CPA or the CPA's data entry centre will be deemed not to have been received by the insurer, and will not be returned, but will be destroyed.**

4. The attachments are not to be sent to the insurer before the document is sent to the CPA.
5. Each attachment must be identified with the claimant's name, either of claim number or policy number, and date of accident, and with the document type (i.e., OCF-18, OCF-21, OCF-22 or OCF-23/198) to which the attachment relates, to enable the insurer to identify the document for which the attachment is intended.

### **Rules Governing Date of Receipt of Documents By Insurers**

Section 68 of the SABS sets out the rules that determine when a document delivered to the CPA as required by this Guideline is deemed to be received by the insurer to whom it is addressed. Briefly summarized, those rules provide:

1. **Document with no attachments** – is deemed to be received by the insurer to whom it is addressed when the document has been delivered to the CPA in a manner specified in this Guideline, and the CPA has determined that the document is duly completed and contains all information required by the SABS to be included in it.
2. **Document with attachments** – is deemed to be received by the insurer to whom it is addressed when:
  - (a) the document (exclusive of attachments) has been delivered to the CPA in a manner specified in this Guideline, and the CPA has determined that the document is duly completed and contains all information required by the SABS to be included in it; and
  - (b) all of the attachments have been received by the insurer.

The SABS provides (s. 68 (7)) that a document delivered to the CPA by fax, personal delivery or by electronic submission later than 5:00 p.m. Eastern time is deemed to have been delivered to the CPA on the following business day.

The SABS also provides (s. 68 (3.5)) that the CPA will be deemed to have determined, on the day a document was delivered to it in a manner specified in this Guideline, that the document is duly completed and contains all information required by the SABS to be included in it unless the CPA notifies the sender to the contrary in a manner specified in this Guideline.

For the purposes of s. 68 (3.5), the manner in which the CPA is to notify the sender is by one of the delivery methods provided for in s. 68 (2) of the SABS. The CPA may also deliver the notification verbally (for example by telephone call, or by telephone message) provided written confirmation is given as soon as practicable afterwards by one of the delivery methods provided for in s. 68 (2) of the SABS.

As previously noted, the SABS further provides (s. 68 (3.2)) that a document to which this Guideline applies is deemed not to have been delivered to an insurer unless it is delivered as required by this Guideline. Any document delivered to the CPA (either directly or through its data entry centre) by a Participating Provider that has not completed the enrolment process, and any paper document delivered by any Participating Provider to the CPA's data entry centre before January 7, 2008, is not delivered as required by this Guideline and therefore shall be deemed not to have been delivered to an insurer.

### **Completion of Documents**

A document to which this Guideline applies will be deemed not to have been completed and not to contain all the information required by the SABS to be included in it unless all fields (other than those that are optional in the circumstances indicated on the form as approved by the Superintendent of Financial Services) are completed as required by this Guideline.

The information in any completed field must comply with the validation rules set out in Appendix 3 of this Guideline.

Where the form specifies the format in which certain information (e.g., a date) is to be provided, the information must be provided in that format.

If the document is delivered in paper form, all completed fields must be legible.

All attachments must be legible.

### **Codes To Be Used In Submitting Information**

The following information shall be provided utilizing the codes specified below:

- To describe injuries and *sequelae*, codes listed in the International Statistical Classification of Diseases and Related Health Problems, 10<sup>th</sup> Revision, Canadian Enhancement (ICD-10-CA) which is maintained by the Canadian Institute for Health Information and available through [www.cihi.ca](http://www.cihi.ca). An abridgment of the ICD-10-CA list of codes, developed to assist stakeholders in the Ontario automobile insurance system, is available at [www.hcaiinfo.ca](http://www.hcaiinfo.ca).
- To describe health interventions, codes listed in the Canadian Classification of Health Interventions (CCI) which is maintained by the Canadian Institute for Health Information and available through

[www.cihi.ca](http://www.cihi.ca). An abridgment of the CCI list of codes, developed to assist stakeholders in the Ontario automobile insurance system, is available at [www.hcaiinfo.ca](http://www.hcaiinfo.ca).

- To describe items billed to automobile insurers by providers that are not covered by the CCI, the list of Goods, Administration, and Other Codes available at [www.hcaiinfo.ca](http://www.hcaiinfo.ca).
- To describe unit measures and for converting minutes to hours, the list of Unit Measure Codes and the Minutes to Hour Conversion Table available at [www.hcaiinfo.ca](http://www.hcaiinfo.ca).

The information at [www.hcaiinfo.ca](http://www.hcaiinfo.ca) is maintained by Insurance Bureau of Canada in cooperation with the professional associations referred to at <http://www.hcaiinfo.ca/links.asp>.

### **Requirements For Insurers**

Where the SABS requires a Participating Insurer to provide information to the CPA, such information shall be delivered to the CPA in electronic form in a manner that results in it being capable of being retrieved and accessed by the CPA.

The information referred to in s. 44.1 (3) of the SABS concerning the processing of an invoice must be provided to the CPA within five business days after the invoice has been processed by the Participating Insurer.

The information referred to in s. 68 (3.8) of the SABS concerning any other document to which this Guideline applies must be provided to the CPA within five business days after the document has been processed by the Participating Insurer.

The information referred to in s. 68 (3.9) of the SABS concerning receipt of attachments must be provided to the CPA within five business days after the last attachment has been received by the Participating Insurer.

The deadlines referred to above are independent of, and not to be confused with, the deadlines within which an insurer is to process and respond to a document as set out in the SABS.

A Participating Insurer that has completed the enrolment process as an Insurer (see “Enrolment of Users And Providers” below) is authorized to deliver

information to the CPA electronically and to access from the CPA information that has been delivered to the CPA by a Participating Provider.

### **Enrolment Of Users And Providers**

Before submitting information to, or receiving information from, the CPA, a provider, facility or insurer that is a Participating Provider or Participating Insurer shall enroll with the CPA and agree to its user terms and conditions. As noted above, providers and facilities may elect to enroll for either paper submission or electronic submission, but not both at the same time. The user terms and conditions may include commercially reasonable provisions to address responsibilities including confidentiality, security, liability, access, and data integrity.

### **Temporary Suspensions Of This Guideline**

In the event that the CPA becomes unable (e.g., by reason of temporary technical issues) to properly carry out its obligations to providers, facilities or insurers, the Superintendent of Financial Services may temporarily suspend the operation of this Guideline.

The Financial Services Commission of Ontario will post notice of any suspension and subsequent resumption of operation of this Guideline on its website ([www.fsco.gov.on.ca](http://www.fsco.gov.on.ca)).

During the period of any such suspension, the requirements of this Guideline do not apply and documents are instead to be delivered directly to insurers using one of the standard delivery methods provided for in s. 68 (2) of the SABS.
