element 82. Signature of authorized representative of Insurer

element 83. Read reverse side of certificate or attachment

REVERSE SIDE OF CERTIFICATE OR ATTACHMENT

The reverse side of the Certificate or the attachment must use the exact words and format as provided on the next page. However, the mortgage endorsement may be omitted.

The following is a brief explanation of the Insurance outlined in this Certificate under the heading Insuring Agreements. The contract is contained only in the Policy.

POLICY PART A - THIRD PARTY LIABILITY

This part provides coverage for legal responsibility to others, arising from an automobile accident causing bodily injury to or death of any person or damage to property, and, under certain circumstances, damage to the insured's described automobile.

POLICY PART B - ACCIDENT BENEFITS

NO-FAULT PAYMENTS FOR DEATH OR BODILY INJURY: Provides coverage to the named insured, his or her spouse dependents of either of them and certain other persons injured or killed in an automobile accident. Payments are made regardless of fault and cover supplementary medical, rehabilitation, long term care and funeral expenses, death, and, in most instances, income benefits.

POLICY PART C - LOSS OF OR DAMAGE TO INSURED AUTOMOBILE

This part of the policy provides a selection of coverages for the policyholder's own automobile. There is usually a deductible amount indicated for each coverage and this amount is either paid by the policyholder toward the cost of repairs or is deducted from the loss settlement.

ALL PERILS: Combines the Collision and Comprehensive coverages.

COLLISION OR UPSET: Covers damage caused by Collision with another automobile, another object or by upset of the automobile.

COMPREHENSIVE: Covers the automobile against loss or damage caused other than by Collision or Upset of the automobile. This coverage includes the specific perils named in the coverage Specified Perils and is therefore broader in scope.

SPECIFIED PERILS: Covers the automobile against loss or damage caused by certain specific perils. They are fire, theft, lightning, windstorm, hail, earthquake, explosion, riot, falling aircraft, rising water, or an accident to a vehicle or boat on which the automobile is being transported.

POLICY PART D - UNINSURED AUTOMOBILE COVERAGE

UNINSURED AUTOMOBILE COVERAGE: Enables the policyholder, his or her spouse, dependents of either of them and certain other persons to obtain benefits from the named insured's Insurer for injuries or death caused by an owner or driver of an uninsured automobile and resulting from an accident involving an automobile. It also Provides coverage for accidental damage to the insured automobile and/or its contents caused by an owner or driver of an identified uninsured automobile and resulting from an accident involving an automobile.

**O.E.F. No. 44
FAMILY PROTECTION ENDORSEMENT**

The Insurer shall indemnify an eligible claimant for the amount that he/she is legally entitled to recover from an inadequately insured motorist as compensatory damages in respect of bodily injury to or death of an insured person arising directly or indirectly from the use or operation of an automobile. The Insurer's maximum liability is the amount by which the limit of family protection coverage exceeds the total of all limits of motor vehicle liability insurance, or other guarantees required by law in lieu of insurance, of the inadequately insured motorist and of any person jointly liable with that motorist.

WARNING: THE INSURANCE ACT PROVIDES THAT -

Where, (a) an applicant for a contract (1) gives false particulars of the described automobile to be insured to the prejudice of the Insurer, or (ii) knowingly misrepresents or fails to disclose in an application any fact required to be stated therein; or (b) the insured contravenes a term of the contract or commits a fraud; or (c) the insured wilfully makes a false statement in respect of a claim under the contract, a claim by the insured, for other than such no-fault benefits set out in the No-Fault Benefits Schedule, is invalid and the right of the insured to recover indemnity is forfeited.

**O.E.F. No. 23A
MORTGAGE ENDORSEMENT**

It is understood and agreed that loss, if any, under Part C of the Insuring Agreements of the policy to which this endorsement is attached shall, in the event that the automobile is not repaired or the lost or damaged parts thereof are not replaced, be payable, jointly as their interests may appear, to the insured and to the Lienholder or Mortgagee or Assignee (herein referred to as "Lienholder") stated on the reverse side hereof.

If the insurance provided by any subpart of Part C of the Insuring Agreements of the policy is cancelled, the Insurer hereby agrees to give fifteen days written notice of such Lienholder. Notwithstanding anything contained in any renewal certificate issued subsequent to the date hereof, the obligation to notify the Lienholder shall not be effective after the expiry date specified in item 2 of the policy. Except as otherwise in this endorsement, all limits, terms, conditions, provisions, definitions and exclusions of the policy shall have full force and effect.

**CANCELLATION REQUEST
(To be filled out and signed in the event of Station)**

In consideration of the return of unearned premium, to wit: If any, this policy is hereby conceived and surrendered, and the interim and renewal certificates, if any, for same, acknowledged to be of no effect.
