INSURANCE COVERAGES APPLIED FOR

Ontario motorists must have the **standard** coverages described in Sections 1, 2 & 3. You may also purchase higher limits for Sections 1 and 2, and additional insurance described under section 4.

THE FOLLOWING IS A BRIEF EXPLANATION OF THE INSURANCE COVERAGES AVAILABLE. FOR SPECIFIC DETAILS CONSULT YOUR POLICY. YOUR INSURER WILL PROVIDE A COPY OF THE POLICY IF YOU REQUEST IT.

POLICY SECTION 1 - THIRD PARTY LIABILITY

This section provides coverage for responsibility to others, arising from an automobile accident causing bodily injury to or death of any person or damage to property.

SECTION 2 - ACCIDENT BENEFITS

The insurer is obligated to explain details of accident benefit coverage.

Provides benefits that insured persons may be entitled to receive if injured or killed in an automobile accident. These benefits include: income replacement for persons who have lost income; payments to non-earners who suffer complete inability to carry on a normal life; payment of care expenses to persons who cannot continue to act as a primary caregiver for a member of their household; payment of medical, rehabilitation and attendant care expenses; payment of certain other expenses; payment of funeral expenses; and payments to survivors of a person who is killed. The Insured may also purchase optional benefits to increase the standard level of benefits provided in the policy. The optional benefits insurance companies must offer are:

Increased Income Replacement - the standard level of income replacement provided in the policy (\$400 per week maximum) may be increased by purchasing optional coverage so that the weekly limit is up to \$600, \$800 or \$1,000. All income replacement benefits are based on 70% of gross weekly income.

Caregiver, Housekeeping and Home Maintenance Expenses – the standard caregiver, housekeeping and home maintenance expenses benefit is available only for a person who is catastrophically impaired. You may purchase an optional benefit to provide this coverage for all impairments.

Increased Medical, Rehabilitation and Attendant Care - the standard benefit pays up to \$50,000 for medical and rehabilitation expenses, with a 10 year time limit in most cases, and up to \$36,000 for attendant care expenses. If catastrophically impaired, the standard benefit pays up to \$1,000,000 for medical and rehabilitation expenses and up to \$1,000,000 for attendant care expenses. You may purchase an optional medical and rehabilitation benefit of \$100,000; optional attendant care benefit of \$72,000; or an optional medical, rehabilitation and attendant care benefit of \$1,100,000 for medical and rehabilitation expenses and \$1,072,000 for attendant care expenses.

Increased Death and Funeral - the standard level of death benefits paid to the surviving spouse and dependant of a person who is killed (\$25,000 to a surviving spouse; \$10,000 to surviving dependant;) may be doubled by purchasing this optional coverage. This coverage also increases the standard funeral expense benefit from \$6,000 to \$8,000.

Dependant Care – there is no standard dependant care benefit for persons who are employed and care for dependants. You may purchase an optional benefit to receive additional weekly dependant care expenses of \$75 for the first dependant and \$25 for each additional dependant, up to \$150 per week.

Indexation of some amounts may also be purchased.

SECTION 3 - UNINSURED AUTOMOBILE COVERAGE

Enables the policyholder, his or her spouse, dependants of either of them and certain other persons to obtain benefits from the named insured's Insurer for injuries or death resulting from an accident caused by an uninsured automobile or unidentified automobile. It also provides for accidental damage to the non-owned automobiles in the care, custody or control of the policy holder and/or to some of its contents resulting from an accident caused by an identified uninsured automobile.

SECTION 4 - LIABILITY FOR DAMAGE TO NON-OWNED AUTOMOBILE

This section of the policy provides a selection of coverages for liability for loss of or damage to the non-owned automobile in the care, custody or control of the policyholder. There is usually a deductible amount indicated for each coverage and this amount is either paid by the policyholder toward the cost of repairs or is deducted for the loss settlement.

All Perils:

Combines the Collision and Comprehensive coverages.

Collision or Upset:

Covers damage caused by Collision with another automobile, another object or by upset of the non-owned automobile.

Comprehensive:

Covers the non-owned automobile against loss or damage caused by other than by Collision or Upset of the automobile. This coverage includes the specified perils named below, and is therefore broader in scope.

Specified Perils:

Covers the non-owned automobile against loss or damage caused by certain specified perils. They are: fire; theft or attempted theft; lightning, windstorm, hail or rising water; earthquake; explosion; riot, civil disturbance; falling or forced landing of aircraft; or the stranding, sinking, burning, derailment or collision of any kind of transport in, or upon which a described automobile is being carried on land or water.
