THE ADMINISTRATOR IS REQUIRED pursuant to section 89 of the *PBA* to transmit a copy of this Notice of Intended Decision to the following persons:

All members of the Plan.

REASONS FOR PROPOSAL

- 1) Presto-Crest Limited (the "Employer/Administrator") is the employer and administrator of the Plan.
- 2) The Plan is a single employer, contributory, defined contribution pension plan that was established on March 1, 1984 for executives, managers, and supervisors of the Employer. There are currently 4 active members in the Plan.
- 3) The Plan states that each Member is required to contribute to the Plan by payroll deduction an amount equal to the "member contribution level" during each full or partial year of membership in the Plan. "Member contribution level" is defined in an amendment to the Plan dated May 28, 2000 (the "2000 Amendment") as nil for executives, 5 per cent of the member's compensation for managers, and 2 per cent of the member's compensation for supervisors. "Compensation for contribution purposes" is defined in the 2000 Amendment as the member's basic salary excluding overtime and bonuses.
- 4) The Plan states that the Employer is required to contribute to the Plan an amount equal to the "employer contribution level" for each member for each full or partial year of membership in the Plan, subject to the minimum required under the applicable

legislation. The 2000 Amendment defines "Employer contribution level" as 18 per cent of each executive member's compensation to a maximum of \$3,500, 5 per cent of each manager's compensation, and 2 per cent of each supervisor's compensation. The Superintendent understands that the Plan currently consists of 2 managers and 2 supervisors.

5) The Plan states that the Employer is required to remit the member's contributions to the Plan not later than 30 days after the end of the month such contributions were deducted from the member's compensation, and to remit the employer's required contributions not later than 30 days after the end of the month to which they relate.

6) No contributions have been paid into the Plan's fund since the September 30, 2014, contributions were remitted.

7) The *PBA* provides in section 69(1)(a) that the Superintendent by order may require the wind up of a pension plan if there is a cessation or suspension of employer contributions to the pension fund. The *PBA* provides in section 69(1)(b) that the Superintendent by order may require the wind up of a pension plan if the employer fails to make contributions to the pension fund as required by the *PBA* and the regulations.

8) There are therefore grounds to wind up the Plan pursuant to section 69 of the *PBA*.

9) Section 55(2) of the *PBA* states that an employer required to make contributions under a pension plan shall make the contributions in accordance with the prescribed requirements for funding and in the prescribed manner and at the prescribed times to the pension fund or, if pension benefits under the pension plan are paid by an insurance company, to the insurance company that is the administrator of the pension plan.

10) Section 4(4) of Ontario Regulation 909 states that all sums received by the employer from an employee, including money withheld by payroll deduction or otherwise from the employee, as the employee's contribution to the pension plan, shall be made by the employer within 30 days following the month in which the sum was received or deducted. Section 4(4) also states that where all the pension benefits provided under the plan are defined contribution benefits, employer contributions for the plan's fiscal year shall be made in monthly instalments within 30 days after the month for which contributions are payable.

11) Section 87(2)(c) of the *PBA* states that the Superintendent may make an order requiring an administrator or any other person to take any action in respect of a pension plan or a pension fund if the administrator or employer of the plan is contravening a requirement of the Act or the regulations.

12) There are therefore grounds to order Presto-Crest Limited to remit all outstanding contributions to the Plan fund within 30 days from the date a final Order is issued pursuant to this Notice of Intended Decision.

DATED at Toronto, Ontario, this 26th day of August, 2015.

Lester J. Wong
Deputy Superintendent, Pensions
By delegated authority from the
Superintendent of Financial Services
