**REASONS FOR DECISION:**

1. QMI – SAI Canada Limited (the Company) is the employer and administrator as defined in the Plan.
2. The Plan was wound up effective March 1, 2013.
3. The Plan had a liability under section 75 of the PBA on wind up.
4. The Company has been funding the liability under section 75 of the PBA.
5. The latest report prepared by an actuary and filed by the Company as Administrator of the Plan under section 32(1) of Regulations 909, R.R.O. 1990, as amended (the Regulations) shows that there is no further amount to be funded. There is money remaining in the pension fund in the amount of \$133,829 after all benefits have been settled.

6. In these circumstances, section 32(4) of the Regulation states that the money remaining in the pension fund may be paid to the employer in accordance with section 62.1 of the PBA, as if the money was an overpayment into the pension fund by the Company within the meaning of section 62.1(1)(b) of the PBA.
7. Section 62.1(4) of the PBA states that if an employer makes an overpayment into the pension fund, the application to the Superintendent for reimbursement for the payment, must be made before the later of, (a) 24 months after the date on which the employer made the overpayment; and (b) six months after the date on which the administrator, acting reasonably, becomes aware of the overpayment.

The Company's application for the overpayment was made on July 31, 2015. The Company has indicated that it became aware of the overpayment six months before making the application.

I am satisfied that the Company's application for overpayment has been filed within the time limits set out in section 62.1(4) of the PBA.

8. Such further and other reasons as may come to my attention.

**DATED** at Toronto, Ontario, this 8<sup>th</sup> day of October, 2015.
